PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

OS6 Winwick

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The plan in Winwick is on Green Belt land.

There is no infrastructure in place to cope with the additional housing. The local primary school is already over subscribed and there is no option to extend the school any further. There is no doctors or dentist in the village.

The land in question has pylons on it and there is no plan to remove these. This would cause a risk to the health of anyone living in these new houses.

The traffic is already at capacity and the local roads can not cope with any additional traffic. Also any additional traffic would cause further air pollution to the residents of the village, a lot of which are elderly. There is another plan to build 1200 house on Peel Hall and this would also add the the traffic ■■■■■

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

The plan should be withdrawn as it on a Green Belt.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
