## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
<b>Legally Compliant</b>		X
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

There is no justification for predicted growth, no need for the volume of housing. The proposed plan involves taking too much green belt from South Warrington not considering the effects to air quality, pollution and local wildlife. No thought given to infrastructure, especially roads, our area is served by three Victorian swing bridges which already when they have to close can cause traffic chaos or if there are any issues on local motorways, traffic leaves the motorway and comes through our local villages which can mean queues for hours. I also believe there is no need to destroy the landscape and character of our villages.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

More focus on brown field sites and areas closer to Warrington town centre that can make better use of public transport. The Unilever factory has closed I suggest this site be used for housing, it is right next to a railway station and not far from Warrington bus station.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
