I have no no idea as to its legality but feel the plan is unsound. I can only speak for [REDACTED] and note I have been made to select one area of [REDACTED] only but my comments apply to the whole

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Lymm is a wet area and parts are already on the flood plain. Areas have been flooded recently as part of the plan to protect housing in Warrington Flooding becoming more common as the climate changes and any attempt to develop the areas around Pool Lane is extremely foolish and short sighted. This must not be allowed. Development elsewhere in Lymm does not address the poor infrastructure particularly the total unsuitability of Rushgreen road for the heavy traffic that uses it; the lack of parking for a village centre which is a tourist destination; the lack of housing for local children as prices here get ever higher and as a side issue the poor public transport.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
