2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	<input type="checkbox"/>	<input type="checkbox"/>
Sound	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Compliant with the Duty to Co-operate	<input type="checkbox"/>	<input type="checkbox"/>

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The Six56 Development on Bradley Hall Farm will make M6 J20 very heavily congested as it is already at peak times. I am once again seeing half mile queuing on the A50 in the late afternoon early evening which I've not seen since the start of the Pandemic. This junction and surrounding local roads will not be able to cope with this extra development.
It is also removing valuable Green Belt land

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

No extra development in the south of the Borough.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
