From the drop down list please select one option.

MD2 South East Warrington Urban Extension

2. What does your comment relate to? Please select one option.

Both of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

These plans will remove important greenbelt in our town, reducing the green and environmentally sound areas for local wildlife and clean air. There are no clear plans for traffic management in the area, only access to new development. South Warrington prides itself for its rural setting and traditional look. These plans threaten what makes Warrington so appealing.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Reduction in the amount of proposed homes and revised traffic management systems. More effort to protect the green areas of the town. Propose more brownfield sites within the town for priority development.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
