	Yes	No
<b>Legally Compliant</b>	X	
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		X

Please be as precise as possible.

It will be just about compliant but my issue is that the town of Warrington and our local area is not being seen as part of a properly conceived strategic plan

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

See above

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Penketh is on the Mersey flood plain. More building could / would seriously jeopardise the existing developed areas.

Over the years solutions have been acted upon for areas prone to flooding only for them to flood again and to cause so many problems

In the grand scheme of things no provision had been made for satellite or out reach medical facilities to support the Warrington communities. The hospital is NOT FIT for purpose. Warrington residents deserve better.

A school does not need to be placed on the Fiddlers Ferry site - already existing schools in the Penketh area are under subscribed

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

Yes, I wish to participate at the oral examination

**If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:**

I care!
