PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

MD2 South East Warrington Urban Extension

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The plan is unsound for 2 reasons :

- 1) Green Belt Land should be sacrosanct and neither Government or Local Authority should be able to use the Green Belt without ALL other alternative strategies being used first, see 2 below
- 2) Warrington has fantastic brown field site opportunities ripe for development not only because these sites are more easily served with the necessary infrastructure but also because it is a myth that the SEUE will provide affordable housing, it will not. My daughter, age 25, was looking to move into affordable housing in the current developments in the SEUE area and was staggered to discover the cheapest properties started at £260,000. The plan should be geared to providing housing for young people who desperately want to get onto the housing market not for affluent middle-aged people who are already established in the property market.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

I would expect nothing less than the plan to be compliant and all cooperation requirements to be met

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

I am not a lawyer or have any experience in drafting local plans. I simply want my concerns above to be taken on board and the proposals for the development of SEUE to be substantially curtailed.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
