4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

How many more times do the people of warrington have to reject the Peel Hall development. It does make a mockery of the system, after it is rejected and then resubmitted again. It is one of the last remaining open spaces near me. During covid it was really important place and post covid too, as open spaces are so import for mental health. Also the access is totally unsuitable for the proposed site.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

reject the Peel hall development once and for all

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
