Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

As a resident of South Warrington () I am already living with schools that are crowded and over subscribed and roads which are already very congested.
The new Local Plan does not include any new crossings over the Manchester Ship Canal or Bridgewater canal and the existing crossings over the Ship \Canal are in a very poor state of repair, The number of houses planned is excessive and will completely destroy some beautiful countryside and only add to the congestion in the area. Adding a Logistics function - Six56 is an absolute nonsense on an already congested route to, and entrance to and from, the motorway network - M6 and M56 junction 20.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

Apologies Yes added in error and I was not able to correct.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Reduce the number of houses planned, size of the developments, and reconsider Six56 development. Rather develop on brownfield sites in and around Warrington town centre and north of the town - Sankey and Birchwood with more suitable road networks.
