	Contact details
Organisation name (if applicable)	-
Agent name (if applicable)	-
Address 1	[REDACTED]
Address 2	[REDACTED]
Postal Town	[REDACTED]
Postcode	[REDACTED]
Telephone number	-

PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The plan takes no account of the dire local infrastructure of roads and bridges. These will be further overloaded and travel will become a worse nightmare than now. The plan needlessly destroys Green Belt and takes little account of brownfield sites.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

Not enough known about these legal aspects to judge.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Reduce destruction of the Green Belt. Take account of brownfield sites. Improve road and bridge infrastructure before any additional stress is put on them.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

You have just completed a Representation Form for Plan as a whole.

Please select what you would you like to do now?

Complete the final part of the form, Customer 'About You' questions and submit response (**Part C**)
