2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

Reduction of green belt in the historical, quaint village on the outskirts of Warrington when there are still areas of brown belt undeveloped. This would also erode the community and village feel of the area which is already under the threat of erosion due to the Parkside proposal.

The development would exacerbate the already overloaded roads, particularly at school and peak times (on Middleton Lane, Golborne Road & Newton Road/ Hollins Lane) and whenever there are problems on either of the motorways (M6 & M62).

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

This development also does not comply with the councils contribution to the Green Agenda as the local school is already fully enrolled and as suggested at the Halliwell Jones event any children enrolled in either of the 2 schools in Croft would require transporting.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
