Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

There is no justification for predicted growth. There is no need for the volume of housing and mass of employment land. There is no justification for scale of Green Belt release. There is no need for the harm to air quality and local ecology. There is no need to destroy the landscape and character of our villages. There is no clarity on the means of delivery. There is no explanation of how the already poor transport infrastructure of south warrington can cope with increased traffic.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

I've marked no to all as I'm not sure and I don't want my lack of knowledge on whether this is legally compliant to stop me sharing how I feel about the plan.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
