4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The plan is not sound as the section on the SEWUE does not justified, delierable or meet the area needs.

It does not properly consider the development of supporting infrastructure in the south of the area, in particular canal crossings, medical facilities, schools and other amenities.

The location of houses in the south of the area does not link with the sustainable transport objectives as it will merely add more cars, and commuters to jobs in Manchester etc on the motorways.

It will not provide jobs within Warrington.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
