## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

GB1 Warrington's Green Belt

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
<b>Legally Compliant</b>		
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The Draft Local Plan is unsound because it will destroy precious greenbelt land which is irreplaceable. There are plenty of brownfield sites which should take precedence. The loss of habitat for wildlife as well as the reduction in the quality of our air is not justified by the extra houses. The huge increase in traffic, as well as lack of infrastructure, mean this is an unsound decision. The required housing numbers are based on 2014 estimates; much higher than more recent ones. This suggests that many of these houses would be unneeded anyway. Finally, our roads are at gridlock already and building yet more houses would only make this even worse.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Having fewer houses built and not building on our irreplaceable greenbelt would be a step in the right direction. Also, if houses do need to be built, having the correct infrastructure in place, such as schools and health centres, would be vital.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
