OS6 Winwick

2. What does your comment relate to? Please select one option.

Both of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

It is proposed to build on green belt land which is supposed to be protected and is unethical. The infrastructure if the village, with development proposed for parkside and peel hall also, simply cannot cope. There is a pylon in the middle of the field which is has health dangers and why spoil beautiful scenery when there are far more appropriate places to build. Winwick does not even have a doctors/cash machine/takeaway and a small school - where are all these new residents to go? The proposed dwellings are on B roads which simply could not cope with the traffic b

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

To build as far away from Winwick as possible! Ridiculous proposal.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
