PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

- The Plan is not legally sound. Warrington's adopted plan 2014 had it's housing policy quashed so how can this be in compliance with a housing policy that doesn't exist?
- There is no justification in the Plan for predicted growth of the town and surrounding areas.
- No need for the volume of housing and the mass of land in the Plan.
- The Plan contains an unreasonable amount of Green Belt and Green Field land.
- The Plan will be detrimental to the local ecology and air quality.
- The Plan will destroy the character of Warrington's local villages.
- There is a lack of clarity on how the Plan will be delivered.
- A lack of detail for how the already poor transport infrastructure will cope with the increased levels of traffic.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Scrap the Plan and drop the ego driven proposal for City status. Listen to the residents.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
