Please be as precise as possible.

There has been no consideration given to the local infrastructure.  
There is brown field locations in Warrington with perfectly good infrastructure that are already available today.  
Doctors surgeries are already five times over subscribed in South Warrington adding more housing will only make this worse with vague plans to add any more surgeries.  
It is totally ridiculous to build on the green conservation areas when there is more than reasonable brown field locations.  
Air quality will be worse in the area  
Schools will become over subscribed

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

use existing brown field sites that have better infrastructure already in place.
