None of the above

| | Yes | No |
|--|--------------------------|-------------------------------------|
| Legally Compliant | <input type="checkbox"/> | <input type="checkbox"/> |
| Sound | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| Compliant with the Duty to Co-operate | <input type="checkbox"/> | <input type="checkbox"/> |

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

I consider that the local plan in the Grappenhall/Stretton area to be unrealistic as too much green belt is to be sacrificed for housing purposes. Additionally, the road network is becoming grossly overstretched even without the additional housing proposals. I strongly feel that 'brown' areas in the borough should be developed for housing rather than ruin the current greenbelt.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Concentrate on brown areas in the borough for additional housing rather than the current greenbelt.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
