From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The plan is unsound. There is brown land which must be used for before any Green Belt land is lost for present and future generations. There are also areas crying out for regeneration in the town. Development needs to be where near work and mass transport links are situated. Major infrastructure questions are left unanswered (roading improvements to cater with increased traffic over the few canal crossings which are already bottlenecks- plans and funding need to be discussed with National/Regional agencies and finalised before any further development can be planned in South Warrington). There needs to be substantial liason with neighbouring local authorities

I am not in a position to comment on 'legally compliant or duty to co-operate' and as I can not put 'Yes' have accordingly put 'no' above.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.
