PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The plan is not sound
No justification for predicted growth
No need for the volume of housing and mass of employment land
No justification for scale of green belt release, need to use Brown field sites first.
No need for the harm to air quality and local ecology
No need to destroy the landscape and character of our villages
No clarity on the means of delivery
No explanation of how the already poor transport infrastructure of south Warrington can cope with increase levels of traffic. Last week was prime example, problem on M6 and the whole of Warrington is gridlocked. If you take 2 cars extra per new household plus workers coming into the area who can't afford these new houses, Warrington will become one giant Car Park

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Whole plan needs a total rethink.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
