	Yes	No

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

Plan is unsound in judgements made over the value of the Green Belt.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

I'm not qualified to comment on legal compliance

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

SHLAA Ref: 1528 / Site Ref: R18/162 and SHLAA Ref: 1622 are now combined as the Statham site. They are considered to make a weak or moderate contribution to the Green Belt and therefore should become available for development. I challenge this view, these two fields mark the boundary of Lymm's Green Belt and should remain so. Otherwise, a precedent will be set leading to loss of the Green Belt on field at a time.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

Yes, I wish to participate at the oral examination

If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Local people should have their voices heard.
