## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

MD2 South East Warrington Urban Extension

2. What does your comment relate to? Please select one option.

Both of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
<b>Legally Compliant</b>		X
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

This re-versioned plan will change the face of South Warrington. It would destroy the character, distinctive nature & green belt which we all enjoy. Warrington already struggles with heavy traffic and an infrastructure which cannot cope with the many motorways surrounding us & the River that runs straight through.

Warrington has amazing rail links, which can be used with strategic advantage for development elsewhere before taking away Warrington's green belt, with no clear plan on how you will improve Warrington's roads before this mass expansion and whether this will be in place before houses are built. I ask you communicate further with the local people and parish to re-think what Green Belt means and that it is entirely unfair and unjust to use the Green Belt for such huge developments before considering and exploring further options.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

I kindly ask you re-visit the SWP's response

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
