GB1 Warrington's Green Belt

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound	X	
Compliant with the Duty to Co-operate	X	

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

We support the need for more housing and how sympathetic Warrington council is being to the green belt areas. We are probably rare in the sense we would like it be modified so that our house can be removed from green belt rather than remain in green belt (we are on the border). We would like this to be considered so that we can sympathetically extend our house for our growing family and potential future child adoption.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

NA

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
