2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

I am sure its legally compliant but doesn't follow the current Government guidance/advice on the use of ALL brownfield sites ahead green field sites. There are plenty of brownfield sites in Warrington and particularly the town center that should be developed ahead of using green field sites. No justification for the scale of Green belt release in the plan. The plan does not show convincingly what 'exceptional circumstances are for the development in the green belt.

There is no proper justification for the predicted growth. The housing numbers are unrealistic.

There is no explanation of how the already poor transport infrastructure of south Warrington can/could cope with increased traffic. The roads are already majorly congested and when there is a problem of one of the motorways the whole road network grinds to a halt. With this plan it would be impossible to travel across/round Warrington. The increased traffic will harm the air quality and local ecology.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

I am sure you have taken expensive legal advice to ensure legal compliance !.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
