You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

The housing in South Warrington requires reducing in numbers and the local habitat and green areas require retaining to maintain the character of the area which is visited by Warrington residents from all areas for leisure activities such as walking , cycling etc. The land to the South of Warrington is more scenic than the North marsh areas
