| <b>Legally Compliant</b>                     | X   |    |
| <b>Sound</b>                                 |     | X  |

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The destruction of the small amount of remaining greenbelt is unjustified and not in line with locally assessed needs. The semi-rural nature of South Warrington will be changed forever, with subsequent loss of residential desirability, which still just remains at present over-development levels. The plan is also not sound on population growth estimates, which will probably turn out to be incorrect

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
