<b>Legally Compliant</b>	<input type="checkbox"/>	<input type="checkbox"/>
<b>Sound</b>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<b>Compliant with the Duty to Co-operate</b>	<input type="checkbox"/>	<input type="checkbox"/>

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

In south Warrington there is an overuse of green belt land. No provision is suggested for improved road network in an area which is already overloaded and where there is already constant traffic congestion.  
Stockton Heath can not cope with the current volume of traffic and no provision is suggested for further extension of crossings of two canals.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

a more sound modification would be to consider using brownfield sites already available in Warrington thus reducing the number of proposed houses in the south.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
