PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

MD2 South East Warrington Urban Extension

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

There has been a lack of open dialogue and real engagement with local people in developing these plans. Warrington is unable to support these developments due to poor travel infrastructure and roads. I don't trust that investment will be made in improving public transport after years of cuts or that shops and local amenities will be built as well as houses or that developments will be built sensitively to the character of the local area. This will fundamentally change south Warrington from a green and pleasant area into a sprawling soulless housing development so that the indebted local council can claim more council tax.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Proper publicised engagement with local residents to develop the plan together. Investment should be first put into infrastructure, local amenities and then houses to follow if at all.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
