PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

I'm concerned about the increased air pollution the development will inevitable bring as well as taking away the wildlife habitats. Planned development even though it tries to sound nature friendly will in no way reproduce existing ecosystems. Brownfield land should be regenerated first before taking away greenbelt land. Releasing so much of the green belt will risk brownfield sites in the Town Centre not getting redeveloped.
Infrastructure proposed in the plan is unlikely to effectively support the new population. There are no clear plans to manage the impact of over 4000 houses on existing roads. No new crossings of the Bridgewater Canal are planned and the Western Link over the Ship Canal and the Mersey would be of limited use for journeys from Grappenhall or Appleton Thorn into Warrington.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Focus on Brownfield development first before releasing Greenbelt Land.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
