PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Objective 1

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

Don't believe it is legally compliant as government guidance is to use brown belt land in the first instance.
Government is proposing to scrap uk building targets as it has been over estimated and deemed against environmental policy.
Environment policy to reduce carbon footprint, lower emissions is not being adhered to, more houses= more people, more cars, more pollution. Warrington is listed as having high pollutions levels currently. Quality of life with local residents will be affected due to highly congested roads, over populated area, little recreation space will be left.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Make the Use of brown belt land a priority.
Protect greenbelt land
Comply with environmental policies,
Promote Warrington to be a highly desirable industrial TOWN, instead of a town of warehouses and fork lift truck drivers.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
