## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
<b>Legally Compliant</b>	X	
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

We have already lost a considerable amount of green fields over the last few years, and have a large number of new homes built on existing brownfield sites, such as the former Lymm Hotel. The plan does not take enough consideration of the lack of major infrastructure that needs to be in place before these developments can be built. As a resident in [REDACTED] I am already struggling with the traffic on the roads, into Lymm and the opposite direction to Warrington. Public transport is irregular. I struggle to get appointments at the local GP. I have to go outside [REDACTED] for dentist. The Pharmacies in the village are already overstretched. The infrastructure has to be put in place first before any more building

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Ensure the infrastructure including roads, health care, leisure facilities, schools (primary and secondary), and sewage are upgraded to support the new developments before any new homes are built...

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
