PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

MD2 South East Warrington Urban Extension

2. What does your comment relate to? Please select one option.

A specific paragraph number (s)

If a paragraph or policy sub-number then please use the box below to list. (For example - Policy MD2.1 part 3 or paragraph 10.2.13 etc as applicable).

Sections 10.2 and 10.6

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

There appears to be little or no concern as to the volume of traffic this proposed development will cause. 2400 new houses means approximately a further 4800 cars with its associated traffic problems. The local area is already gridlocked at the best of times. Also this volume of family homes will also mean on average another 4800 more children, where are they going to be educated, where are they going to play and where are they going to socialise. With its current population Warrington is already overcrowded, one of the things I like about Warrington is that it had a beginning and an end it no longer does.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

This plan should be put to a vote by the people it affects, that is proper democracy. Not by edict from a remote central or local government who really don't give a damn for the concerns of local people which developments such as this affect directly.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
