## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
<b>Legally Compliant</b>		X
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The plan is not sound - the amount of development in addition to housing already being built is not sustainable in the confined area surrounded by motorways, canals and limited vehicle access.

I don't believe the plan takes local residents' views into consideration at all ie. to retain the green belt for wildlife and the mental health of residents.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

To be a sound plan, the amount of development must be reliant on the infrastructure to service it - this plan is not. A massive reduction in development is necessary to allow existing residents to continue to enjoy the quality of life they have now.

Local residents have the right to be listened to and their extensive knowledge of the area taken into account to before this plan is sound and complies with the duty of co-operate.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
