## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
<b>Legally Compliant</b>		
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

The congestion that would be created by the massive number of new homes in the "south east urban extension" is unsound. The present swing bridges and cantilever bridge cannot cope with the current peak commuter traffic and the bridge foot roundabout is already a nightmare, bringing more traffic into the mix is unsound. What provision has / is going to be made to the local amenities such as waste disposal (sandy lane stockton heath tip is already congested) are any local convenience / food shops, GP surgeries, dentists, hairdressers included within walking distance of these new homes to reduce the need to get in their cars as there very few south of the ship canal, more congestion again... what about school places / nursery, etc

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

as above, consideration given to local amenities, such as shops, GP surgery, dentist, hairdressers within walking distance, school places, etc

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
