## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

Both of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
<b>Legally Compliant</b>		X
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

This plan does not meet the needs of local residents. Destroys our environment forever, the number of dwellings proposed and vehicles associated with them, far outweighs the roads, schools and medical facilities which are already present. No adequate provision to provide same. There is NO provision to overcome the problem of the canal crossings! Services are already overstretched. No provision to improve public transport! Decimation of valuable green belt land of great agricultural and ecological value!

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

I just think the whole plan is badly thought out, and is just required Homes England to gain excess funding from selling green belt land to developers and also to gain rates from these developments, we all need green spaces. Warrington Town Centre needs developing, use the brown field sites. We also have far too many heavy lorries in our countryside, which travel very fast and abuse the landscape by throwing out rubbish, costing lots of council funding to clear up!

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

You have just completed a Representation Form for Plan as a whole.
