## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
<b>Legally Compliant</b>	X	
<b>Sound</b>	X	
<b>Compliant with the Duty to Co-operate</b>	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The proposed plan for substantial additional housing does not include the required concurrent expansion of infrastructure, bearing in mind the North West average of 1.4 vehicles and 2.8 persons per household. Potential access/egress locations for the proposed housing site are likely to have a significant negative impact on the surrounding areas, as will the increase in marine traffic generated to access ports east of Warrington, which will only compound this issue with further bridge openings. Furthermore the plan does not provide adequate rationale or justification for the release of green belt land for this development. Finally, there is a lack of clarity of how exactly the proposed plans will be delivered.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

A cancellation or significant scale down of the proposed housing development plans on green belt land is essential

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
