## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

MD6 South East Warrington Employment Area

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
<b>Legally Compliant</b>		X
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The way this question is asked is a referendum not a consultation- the wording is not in Plain English, the manner it is presented is complex to nontechnical or non legal individuals who are reading it. This automatically reduces the opportunity for a fair and justified proposal open to all who have a right to be heard.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Yet again this opportunity to comment is biased to those with a legal or planning background- making it contrived and purposefully excluding individuals

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

**If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:**

Test again See my comment in questions 6 and 7

Please be as precise as possible.

This is a Gunning Case - which is contrived, over complicated to the layman and seeks to gain a yes or no approval by the manner and presentation of the objection process.  
In its format it does not support or encourage the voice of local people who are not used to the legal wording and goes further to actively discourage the completion of the consultation opportunity given.
