None of the above

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

It is too hard for local residents to understand so shouldn't be legal...I'm not a lawyer so how could I know?

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Not to build on any green belt. To change Warrington's building policy so that all new builds are as environmentally friendly as currently possible, to put pedestrians, cyclists and public transport above private vehicles. I want Warrington to be forward thinking...thinking about what is best for the environment and not what is easiest or best for profit.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
