MD2 South East Warrington Urban Extension

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

I object to the destruction of our local green belt and fresh air for our children, I refuse to believe that South Warrington needs another 4000 houses and potentially 8000 cars on our roads! if you can imagine the traffic in the local area with the increased amount of cars it doesn't bare thinking about. I have lived in the area for 33years and the reason I am here with my husband and 3 children is for the nice family environment nice country walks and wildlife on your doorstep - not to have to drive 20+ minutes drive to see some wild life or take a trip to the park!

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Please do not build at all on our green belt, do not ruin what is such a beautiful green area of South Warrington - I don't believe that any of it is necessary.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
