From the drop down list please select one option.

MD2 South East Warrington Urban Extension

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

I object to such works being carried out in the area, I chose this area to live based on the area having such a vast green belt. Scenic walks full of wildlife and fresh air would be a thing of the past if this dreadful idea was to materialise. Traffic down the A49 and lumb brook can already be ridiculously busy with the swing bridges too....that's even before thinking about adding 4000 houses and upto even 8000 cars in our area - the air pollution and the sound pollution for that too doesn't even bare thinking about!

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

I don't believe the development is necessary at all, the area is lovely with some beautiful houses and a fantastic amount of country life right on our doorsteps.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
