Please be as precise as possible.

Terrible idea, I object to such a selfish plan!
As a young man with a partner, looking to start a family i chose the area based on a number of things but mainly the local green belt - with this destroyed (as proposed) I will not stay to bring my children up in an overcrowded area, where the traffic will constantly be at a standstill and the air will be unclean!

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

I object - please take these opinions seriously such a terrible idea.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
