## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

MD5 Thelwall Heys

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
<b>Legally Compliant</b>		X
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

in 1996 I joined a group of 200 residents who formed an action group to save Thelwall Heyes. Eventually in 2006 we obtained green belt status for Thelwall Heyes. Now you say it has to be built on because there are not enough brown field sites. This is rubbish there are loads of brown field sites in Warrington. In addition to this there has been too much building already in this area. There is a massive housing development across the locks and building is still going on. There are 3 huge blocks of flats on Station Road. A massive development on-going in Grappenhall, to mention just a few. In addition to all this it is practically impossible to get a doctor's appointment in this area and are children are finding it difficult to get into local schools. The whole thing is a joke and I object whole heartedly to what you are trying to do to the place we live and love.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Do not build on Thelwall Heyes

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
