Compliant with the Duty to Co-operate	<input type="checkbox"/>	<input checked="" type="checkbox"/>

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

I believe that not enough attention has been considered to the town centre and it's immediate outer areas, especially brownfield sites, for redevelopment into housing. The town is a scruffy disgrace and there are huge area's that should be considered first. eg. the Lever brothers site, the huge warehouses around the area to the west of the Tesco store and many, many others.

The buildings in the town centre following the demise of traditional shops should be considered for conversion into accommodation as is being carried out in our larger cities. All of this before tearing up our countryside.

It is questionable as to whether you are compliant but one thing is for sure, this council and it's planners are reckless in their approach to it's residents.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
