## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

GB1 Warrington's Green Belt

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
<b>Legally Compliant</b>		X
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

Green belt should be left green. It should not be divided into development and non-development green belt. Nature space and networks rely on greenbelt being allowed to evolve naturally with sympathetic land management. Placing development on green belt results in disconnection, pollution and biodiversity loss, which is part of the global environmental crisis.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

The council should openly commit to becoming a green borough and promote biodiversity and nature connection and recovery, including the benefits to human existence arising from this, rather than allocating green space to be replaced by housing.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
