1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

Yes we need more housing but what about the facilities. [REDACTED] Bridgwater High is an old split site school which has very little future capacity. Bridgwater Sport Facility is poor, the sport hall floor is dangerous, the swimming pool is dirty and the gym is not suitable. To get to school my bus currently comes before 8am in the morning so we can't get the public transport right now never mind with more houses. When I need to go anywhere I have to rely on my parent driving me as the bus service is poor and the roads are not suitable to walk along. The traffic through my village is dangerous, the plan will increase this traffic making it unsafe for young children. When I want to go shopping I won't go to Warrington as it is poor so again we travel by car to Liverpool or Manchester as we have next to no public transport. We need to improve Warrington Town Centre would not building more house in the town centre help this?

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

I am not sure but I could not tick I don't know.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Indication of how you are going to improve facilities for young ones
Housing in the centre of Warrington would be more appropriate for young people that they can afford and do not have to rely on car which we can't afford.
How are you going to improve public transport in the plan, this is not clear
How do the plan protect the environment you are building for me, the DLP need to consider climate change and the impact the proposals will have on our health and well being.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
