Please be as precise as possible.

I play basketball all over the country and I am disgusted how poor [REDACTED] to some of the schools we visit. The school is old and tired with very narrow corridors and poor sporting facilities. How will this plan effect the school and facilities where I live. Many house are being built but very little is being done to improve the school. When I need to go and play basketball recently at the ball hall I can't get there without my parents giving me a lift, the busses are poor and ver infrequent, how will the local plan improve this. New house on green belt, these will not be affordable when I leave school where will be affordable housing in proximity to facilities? We need younger persons housing in the town centre, this will provide access to town centre and to Liverpool or Manchester for work, night out or shopping.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

I don't know, but I don't support this

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Set out how the plan is going to improve the town for young people
Housing in the right areas for young people
How the plan is going to deal with climate change
How we are going to improve facilities in my school and to play sport
How the plan intends to improve public transport

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
