None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
<b>Legally Compliant</b>		X
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The people of Warrington do not want this amount of expansion.  
The infrastructure will not cope with that many people in the area.  
The facilities in south warrington are minimal as it is, adding extra housing without adding better facilities is ridiculous..... don't do it !  
Existing housing will be devalued, existing roads will become unmanageable... Stockton Heath is already gridlocked at certain times of the day.  
The new housing being built at the moment is too small and too tightly packed together and inappropriate for modern families.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Warrington should stop building generic housing estates and build something nice where people will want to live !

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
