## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

GB1 Warrington's Green Belt

2. What does your comment relate to? Please select one option.

**If a paragraph or policy sub-number then please use the box below to list. (For example - Policy MD2.1 part 3 or paragraph 10.2.13 etc as applicable).**

Urban Extension - South Warrington

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
<b>Legally Compliant</b>		
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The new plan reduces the Green Belt considerably in South Warrington through the building of new houses and the expansion of warehousing facilities. I cannot see how this can be justified. More importantly how will you stop further development of green belt sites when this precedent is set. Please look more carefully at brown field sites in Warrington before plundering our precious countryside. Also in South Warrington existing infrastructure is stretched and not fit for purpose. Where are the specifics in the plan to cope with increased population? Increased Traffic? Increased demand for school places? Doctors surgeries.?

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Don't build on greenbelt land. Leave it for the benefit of all now and for future generations. Lay out comprehensive plans for improving infrastructure in South Warrington in particular. Use brownfield sites for building new housing.  
Explain where the demand for new housing is coming from.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
