	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The plan is not sound. No justification for predicted growth. No need for the volume of housing and mass of employment land. No justification for scale of green belt release. No need for the harm to air quality and local ecology. No need to destroy the landscape and character of our villages. No clarity on the means of delivery. No explanation of how the already poor transport infrastructure of South Warrington can cope with increased levels of traffic. Removing green belt also adversely impacts the climate affecting future generations.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

N/A

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Remove any impact on the green belt. Developing exclusively only brownfield sites.
