	Yes	No
<b>Legally Compliant</b>		X
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The Council repeatedly fail to implement approved Planning Policies. The plan cannot be sound if the Council continually fail to adhere to policies agreed in the approved local plan. Residents concerns are ignored and the Council Officers fail to offer any substantive reasons for not implementing approved Planning Policies in many planning applications.

The 2014 Core Strategy was approved on the premise that NO changes to the greenbelt were included in the Plan. The Planning Inspector approved the 2014 Local Plan on information supplied to him by Warrington Borough Council. The green belt was amended by the Council and Winwick Farm lost the greenbelt status without consultation of either the general public or the Planning Inspector.

Public bodies should not be misleading Planning Inspectors, or the general public.

The proposed Warrington Local Plan is not sound, for reasons that the Council Officers do not follow the approved plans.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Planning Policies should be implemented as written in the the approved Local Plan. Planning policies should not be ammended or excluded from any planning application. All relevant policies should be applied, and be seen to be applied.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

Yes, I wish to participate at the oral examination
